

Craft Supplies

For individual crafts you will need supplies for each person;
for family crafts you will only need one set of supplies.

- General Supplies
 - Markers
 - Crayons
 - Glue
 - Scissors
- Change of Heart Suncatcher (individual craft)
 - 1 piece of construction paper (or another colored paper)
 - A few sheets of tissue paper
 - Clear adhesive shelf liner, like Con-Tact Paper
- The Good Book (family craft)
 - 1 piece of colored paper (a heavier weight, like cardstock works well)
 - 1 piece of white copy paper
 - Stickers or other decorations
- God's Eyes (individual craft)
 - 2 popsicle sticks (Other types of sticks can be used. This craft is much easier if the sticks are first glued together into a "+")
 - 5 yards of yarn or twine (a thicker string is better, but others can be used)
- Birds of the Air (individual craft)
 - A cardboard egg carton
 - Feathers (If you don't have craft feathers, you can cut feather shapes from colored paper and fringe the edges.)
- Walk the Pathway Game
 - From the Asbury web site's Resource page print the gameboard, die, and extra cards

Instructions for each of these crafts is available on Asbury's YouTube channel. Search for AsburyUMCTX or go to https://www.youtube.com/channel/UCawmsso_sNFkaDgtc6UUXVg.
