

Knights of North Castle Asbury's Family VBS for 2021

We are so excited for VBS this year! Families will learn all about the Armor of God from the King's big book. We wanted to let you know how VBS will happen this summer. This will still be a family event to accommodate safety needs and follow CDC guidelines. Here is what you can expect:

- ❖ VBS will launch June 21st. Starting May 1st, you can register for a VBS family kit with supplies for each member of your family.
- ❖ The week of VBS you may attend a Celebration service in-person, again as a family. All of the services will be livestreamed and available later through the website. The services will be each evening June 21st-25th.*
- ❖ We will have invitations available on our website for you to use to setup your own VBS crew at home (cousins, neighbors, school friends).
- ❖ VBS will be available all summer virtually. Like last year, all of the materials, plus links to the Celebration services will be on our website. Whatever week of the summer works for you, can be your VBS week!

Please don't hesitate to contact us with any questions. We will also be using our VBS Facebook page to keep you informed. Whichever way you choose to participate, we look forward to welcoming all knights to God's kingdom this summer.

Take care,

Jaye Lynne Rooney & Paula Zikogiannis

**We will have tables set up if you would like to have dinner beforehand. You can bring a meal or have one delivered.*
